### Prayer Requests:

Please pray for expectant parents: Steve & Meagan Ulery (March 6) and David & Virginia Crighton (April).

Kathy Whitcomb: The last several days someone has been trying to steal identity. They tried getting in my social security account and they attempted to change my address. They had access to my phone. I have nothing in the bank so if they do have access, they would be not able to take any money. When I go to get my social security direct deposit, there is a good chance they have access to it. I can't get into my own stuff half the time, but a professional thief can. Please pray for protection. There are real predators out there that don't care for you one way or another. They will take everything they can and won't think twice.

Vina Reed: Pray for my brother, Thomas Carter, for strength, courage, wisdom and to draw closer to God. Pray for myself and my family. Pray for Gary Millsaps to draw to God and away from fears, depression, and anger. Pray for Nisha Scott reunification of her son and draw them to God.

Judy Davey: Please pray for Anthony S. (46 years old). He has colon cancer and will have surgery in December. Pray for the Barnard family for physical healing. Please pray for my family members who are not saved.

Patricia Davis: I'd appreciate prayer for the problem I am continuing to have with anxiety. Sometimes it is periodical and sometimes every day. Thank you.

Lisa Shepherd: Please pray for affordable housing for me. Also, for the maintenance men to be held accountable for their sins.

Marco: Pray that me and my wife, Ethel, do God's will and be baptized with a double portion of the Holy Spirit.

Rosemary Willis: Pray for her as she deals with heart problems. Surgery is scheduled for Monday.

Please pray for Edwina Johnson (mother of Jasmine Smith). She is progressing slowly and needs continual prayer.

Please pray for the father of Toni Donoghue; and mothers of Jerome Brigham, Sue Gaston, Lisa Shepherd, Lisa Ulery, Craig Tennant, Jack Shearer & Lori Sugano.

Pray for the needs of our sick and shut in: Margie Ramos, Edith Wallace, Kay Woodard's Uncle Woody, Julia Dean, Julia Martinez & Mary Mines.
